We were disappointed with the spirit in which this match was played. We have always given opposing teams the best of order and up until this game have always received the best of order in return. Unfortunately on this occasion this did not happen. Two of our players walked out before the end of the match due to a lack of decorum by a minority of the Ross High team. The Legion therefore look for assurance that future games with Ross High are played in the spirit associated with North Berwick and District Pool League.
